

AFTERCARE GUIDE FOR YOUR NEW TATTOO

PARK AVENUE
+ TATTOO STUDIO +

Congratulations on your new tattoo!

To help your tattoo heal properly, adhere to these aftercare instructions:

- ✿ Keep the bandage on for at least two (2) hours
- ✿ After removing the bandage, gently clean the tattooed area with warm water and mild soap
- ✿ Rinse with cold water to close the pores
- ✿ Pat the area dry with a paper towel. Avoid using a regular towel, as it can introduce bacteria
- ✿ Apply a thin layer of Aquaphor® three (3) times daily for three days
- ✿ Do not apply for more than three (3) days, as excessive use delays healing.
- ✿ Do not re-bandage your tattoo
- ✿ Avoid direct sunlight on the tattoo for at least two (2) weeks
- ✿ Refrain from swimming in pools or at the beach for two (2) weeks
- ✿ Keep the tattooed area clean and dry
- ✿ After using Aquaphor®, switch to a fragrance/alcohol-free lotion to keep skin moisturized
